

Terms and Conditions – Modern Business Experience

Per Oracle rules and regulations, every attendee must register for the conference him/herself using his/her own Oracle.com single sign-on (SSO) login. If an attendee does not have an Oracle.com account already created, he/she must create one.

Attendees must use their own badge while onsite at the event. Badges are nontransferable and **may not** be shared onsite. Any person found to be in violation of this policy will have their badge confiscated by event personnel and will be asked to leave the conference.

Government Rate Eligibility

The government rate is open to bona fide employees of a national/federal, state, provincial, or local government entity, including public higher education institutions.

US and Canadian attendees registering under the government rate will be required to show their employer-issued government ID or other proof of government employment during check-in at Mandalay Bay Hotel. Attendees outside the US and Canada registering under the government rate will be required to fax or email proof of government employee status (copy of government photo ID or a letter on official government letterhead stating that they are an employee of that organization) to the Modern Business Experience registration team to receive the discounted rate. Oracle may, at its sole discretion, charge the standard Modern Business Experience conference rate to anyone not satisfying these requirements.

Entry to the US

This information pertains to Oracle employees only. Provided registration is completed and all necessary information is provided, Oracle will issue a letter for your use in the visa stamp process. You are responsible for complying with all applicable US immigration laws and for visiting the US consulate or US embassy website to understand the rules and process for applying for a US visa stamp. See additional details available during the registration process.

If you are not an Oracle employee, a statement confirming registration and your planned attendance is available upon completion of the registration process and after providing all required information. You are responsible for complying with all applicable US immigration laws and should consult with your own employer or other resources regarding questions about US visas and requirements. For information on US embassies and US consulates, go to usembassy.gov.

Onsite Special Meal Requests

Oracle makes an effort to provide meals that accommodate attendees with a variety of dietary requirements (vegetarian, vegan, gluten/dairy free). We will make an effort to accommodate additional special requests, although we can't guarantee the ability to fulfill every request. Special meals are available on a first-come, first-served basis and quantities are limited, so your meal choice may not be available at some lunch locations. When you arrive at the lunch area, make your request known to a server and they will review with you the available meal options.

Onsite Reprints for Lost Badges

If you lose your badge onsite, it can be reprinted for a processing fee of US\$75. Just go to the Changes and Cashier counter at Mandalay Bay and provide a valid photo ID.

Registration Deadlines

The cutoff for all registration deadlines is 11:59 p.m. PT.

Onsite Security

As a security measure, Oracle will be randomly checking bags onsite for Modern Business Experience at Mandalay Bay.

Wire Transfer Fees and International Taxes

Wire transfer fees are the responsibility of the attendee and should not be deducted from the registration fees.

Modern Business Experience registration packages are not subject to US city, state, or federal taxes. If an attendee's country of residence has additional taxes, those are the sole responsibility of the attendee and cannot be deducted from the registration fees.
